1. ABOUT BIZMAPIA

About Bizmapia

Bizmapia is a business promotion platform operated by We Promote Business Solutions, Thodupuzha, Kerala. The platform was created for a simple problem that every town in India faces: local vehicles, local shops, local services and local customers exist in the same town, but there is no single organised system that connects them, records them, and settles income in a verifiable manner. Bizmapia replaces this informal arrangement with a system: a login, a referral code, a wallet, a chatbot, and a monthly report.

The Company provides the system, the brand material, the training, the backend and the automation. The Franchisee provides the local office, the field work and the daily follow-up in the allotted area. Neither side can succeed without the other.

Our 4 Services - Description

Bizmapia operates four services in every franchisee area. The four services are not separate businesses. They are four ways of serving the same local market - the same vehicles, the same businesses, and the same customers. A vehicle registered in Ride-Hailing becomes a customer for Business Directory. A business listed in Business Directory becomes a customer for Delivery and Booking.

Business Opportunity - Description

The MUNICIPAL Franchisee receives the exclusive right to operate the Bizmapia platform in one Municipality area, for 3 years, subject to the terms of this Tender and the MOU. Only one Franchisee shall be appointed for one Municipality. The Franchisee receives the exclusive area, the system login, wallet and referral code, the brand material and training, the backend, chatbot and automation, the business support in Section 4, and the settlement and verification procedure in Annexure B.

Business Support - Description

Staff Contribution: Rs.7,500 per month for 5 months. **Rent Contribution:** Rs.7,500 per month for 5 months. **Advertisement Support:** 12 months, as per Company plan. **Login + Referral Code + Training + Automation:** Login ID and password, referral code, wallet, chatbot and automation to sort leads into conversions, and initial marketing and backend training.

MUNICIPAL Franchisee - Percentage Table

Commission percentages are stated in summary form in this Tender. The rupee calculation is in Annexure B.

Service	Franchisee Share
Ride-Hailing	80%
Business Directory	50% (Poster / Video Advertisement - 50%)
Dine-In	10%
Online Delivery	15%
Online Booking	15%

Note: The percentages above are the summary. The rupee rate card - Vehicle Registration Rs.135, Business Registration Rs.49.50 average, Top-Up Rs.19.80 average, Poster Rs.36.75, Video Rs.74.25, Dine-In Rs.2, Delivery Rs.2, Booking Rs.2 - is in Annexure B. Where any figure in an Appendix differs from Annexure B Section 3, Annexure B Section 3 shall prevail.

2. ABOUT OUR 4 SERVICES

2.1 Ride-Hailing

Ride-Hailing connects vehicle owners and passengers in the allotted area. The service covers autorickshaws, hatchbacks, sedans, XUV / MPV / 7-seater vehicles and ambulances, as per the rate card in Annexure B.

How it works. A vehicle owner registers in the system through the referral code of the Franchisee. The registration is entered in the login on the same day, with the vehicle particulars and payment particulars. The passenger books a ride through the platform. The vehicle owner receives the fare. The Company receives the service charge. The Franchisee receives the share stated in Section 1 and in Annexure B.

Who benefits. The vehicle owner receives organised bookings instead of waiting at a stand. The passenger receives a recorded booking with a known vehicle and a known fare. The Franchisee receives registration income, recharge income and top-up income from the registered base.

Example. Referral Code: MUN-XXXX - Vehicle Registration through referral code - Registration recorded in login - Ride booked through platform.

What the Franchisee must do. Visit vehicle stands, unions and associations in the area, explain the platform in the local language, register vehicles daily, enter each registration in the login on the same day, and follow up on recharge and top-up.

2.2 Business Directory

Business Directory lists local businesses in the allotted area - shops, services, professionals, clinics, hotels, workshops, and others. The Directory is the permanent record of local business in the area.

How it works. A business registers through the referral code of the Franchisee. The business receives a listing with name, address, contact, category and services. The business may take Poster and Video advertisements, displayed in the platform for 7 days per advertisement. Registration, top-up and advertisement income are recorded in the login.

Who benefits. The business receives visibility beyond walk-in traffic. A shop in a side street becomes visible to the whole town. A new business becomes visible from the first day. The customer receives a verified list of local businesses.

What the Franchisee must do. Visit commercial streets, markets, business clusters and associations, explain the listing and the advertisement, register businesses daily in Days 91-180, and follow up on top-up and advertisements thereafter. Verify that each listing is genuine and that the particulars are correct.

2.3 Online Delivery

Online Delivery connects local shops and restaurants with customers for delivery of food and goods. The service is built on the business base created by Business Directory.

How it works. A customer places an order through the platform. The shop or restaurant prepares the order. Delivery is arranged. The service charge on each order is shared as per Section 1 and Annexure B. Each order is recorded in the login.

Who benefits. The shop receives orders beyond walk-in traffic. The customer receives delivery at the door. The Franchisee receives a share of the service charge on each order.

What the Franchisee must do. Enrol shops and restaurants already listed in the Directory, explain the delivery procedure, ensure orders are handled correctly, and follow up on any complaint or difference on the same day.

Online Delivery is built from the 7th month, so that the vehicle and business base is in place before delivery is offered.

2.4 Online Booking

Online Booking provides booking of tickets and services - travel, events, appointments and similar bookings - through the platform.

How it works. A customer books a ticket or a service through the platform. The booking is recorded in the login. The service charge on each booking is shared as per Section 1 and Annexure B.

Who benefits. The customer receives a recorded booking. The service provider receives organised bookings. The Franchisee receives a share of the service charge on each booking.

What the Franchisee must do. Enrol booking providers, explain the procedure, and ensure bookings are recorded correctly and any difference is escalated on the same day.

Online Booking is built from the 9th month. By that time, the vehicle base, the business base and the delivery base are in place, and Booking can be offered to a market that already knows the platform.

3. BUSINESS OPPORTUNITY - DESCRIPTION

The MUNICIPAL Franchisee opportunity provides a structured platform, a defined area, a defined fee, and a defined settlement and verification procedure. It is not a job. It is a business to be operated daily, in the allotted area, for 3 years.

The Franchisee builds the market. In Days 1-90, the Franchisee builds the vehicle base. In Days 91-180, the Franchisee builds the business base. From the 7th month, the Franchisee builds delivery. From the 9th month, the Franchisee builds booking. In Years 2-3, the Franchisee consolidates the registered base - recharge, top-up, advertisements, dine-in, delivery and booking of the registrations already made.

The income in Annexure B arises from this work. Registration income arises once, when a vehicle or business is registered. Recharge, top-up, advertisement, dine-in, delivery and booking income arises repeatedly, from the same registered base, month after month, year after year, so long as the base remains active and is served.

The Applicant is advised to read Annexure B in full - the proforma in Section 3, the operating plan in Appendix A, and the downside case in Appendix B - before applying. The Applicant is advised to assess the fee, the EMI, and the local operating costs, and to enter into the MOU only after full understanding.

The Company provides the system and the support. The Franchisee provides the daily work. The proforma is a projection of what the work, if done daily and verified, is expected to produce. It is not a guarantee.

4. BUSINESS SUPPORT

4.1 Staff Contribution

The Company shall contribute Rs.7,500 per month towards staff cost, for 5 months. The Franchisee shall recruit, train and supervise the staff. The staff shall work only for Bizmapia operations in the allotted area. The staff contribution is a contribution, not a salary. The Franchisee is responsible for the staff, their work, and their conduct.

4.2 Rent Contribution

The Company shall contribute Rs.7,500 per month towards rent, for 5 months. The Franchisee shall establish the office in a suitable location in the allotted area, and shall maintain it for the MOU period. The office shall be open during working hours, and shall display the Bizmapia name and material as per Company guidelines.

4.3 Advertisement Support

The Company shall provide advertisement support for 12 months, as per the Company plan. The Franchisee shall execute local advertisement in the local language, and shall follow up on advertisement leads. Advertisement support is for promotion of the platform in the area. It is not a payment to the Franchisee.

4.4 Login + Referral Code + Training + Automation

The Company shall provide the Login ID and password, the referral code, the wallet, the chatbot and automation to sort leads into conversions. The Company shall provide initial marketing and backend training, and guidelines for registration, recharge, top-up and service delivery. The Franchisee shall attend the training, and shall train the field staff in the same procedure.

The Company shall provide backend support for findings, doubts and differences in displayed achievements, and shall take immediate action or provide proper explanation, as applicable.

5. TERMS AND CONDITIONS IN FULL

5.1 General Terms

The Applicant shall be an independent contractor, not an agent or employee of the Company. The Applicant shall operate only in the allotted area. The Applicant shall maintain the office, staff and records as required by the Company. The Applicant shall follow the Company procedure for registration, recharge, top-up, advertisement, delivery, booking and settlement. The Applicant shall not represent that the Applicant is the Company, or that the Applicant has authority to bind the Company.

5.2 Invitation To Bid

This Tender is an invitation to apply. Submission of the application does not create any right until the MOU is signed on Rs.200 Stamp Paper and the Advance is paid. The Company may accept or reject any application, and may withdraw this Tender at any time before the MOU is signed.

5.3 MOU Core

The MOU shall be for 3 years, on Rs.200 Stamp Paper, and shall incorporate this Tender, Annexure B for reference, and the Company Circular in force. The MOU shall state the area, the fee, the EMI option, the duties, and the termination procedure. In case of any difference between the Tender and the MOU, the MOU shall prevail.

5.4 Intellectual Property

The name Bizmapia, the logo, the system, the chatbot, the material and the data remain the property of the Company. No right is transferred except the right to operate in the allotted area. The Applicant shall not copy, reproduce, or use Company material outside the allotted area or after termination.

5.5 Non-Disclosure

The Applicant shall not disclose Company rates, systems, leads, internal working, or applicant data to any third party. This obligation shall survive termination. The Applicant shall not share the internal working file, if shown, with any third party.

5.6 Non-Compete

During the MOU period, the Applicant shall not operate a competing platform in the allotted area. The Applicant shall not divert leads, registrations or income to any competing platform.

5.7 Performance & Support

The Company expects the performance stated in Annexure B Appendix A. Where performance is below target, the Company shall follow the sequence in Appendix A: written notice, re-training and revised plan, additional support for a defined period, further review. Termination shall be considered only after support, notice and repeated failure.

5.8 Termination

Termination shall follow written notice, support and review, as per Annexure B Appendix A. On termination, the login, the referral code and the area shall revert to the Company. Income due up to the date of termination, as verified, shall be settled as per Annexure B.

5.9 Dispute / Arbitration

Disputes shall be referred to arbitration, Thodupuzha, Kerala, as per the MOU. The law of India shall apply. The Applicant shall first raise the dispute in writing to the Company, and shall allow a reasonable time for resolution before arbitration.

5.10 Force Majeure

Neither party shall be liable for failure due to events beyond reasonable control, including natural calamity, epidemic, war, or government order. The affected party shall inform the other party within a reasonable time. The MOU period shall be extended by the period of force majeure, as per the MOU.

5.11 Indemnity / Non-Liability (Clause 24 & 24A)

The Company shall not be liable for loss arising from market conditions, applicant performance, or third-party acts. The Applicant shall indemnify the Company against claims arising from the Applicant's operations, staff, or customers. Annexure B is for description / projections only, not part of MOU, not legally binding as to income, not guaranteed. The Applicant confirms that the Applicant has read Annexure B and understands this position.

5.12 Compliance (Clause 24B)

The Applicant shall comply with all applicable laws in India - 28 States + 8 Union Territories - including tax, GST, and local law. The Applicant shall maintain all licences, registrations and records required by law. The Applicant shall not use the platform for any unlawful purpose.

5.13 Checklist

Application, ID proof, address proof, photograph, biodata, nominee details, Registration Fee receipt, Advance receipt, MOU on Stamp Paper, bank details, office address. No blank space shall be left in the Biodata or Nominee forms. Every blank shall be filled or marked - Not Applicable - as per the District format.

5.14 Conclusion of Terms

The terms above are the complete terms of this Tender. No oral promise shall be binding. Any change shall be in writing, by Company Circular, and shall be read with this Tender and the MOU.
