APPENDIX A - Operating Plan

Daily Target: 2,500 Vehicles in 90 Days (27.78/day) - 50% Active From 4th Month. Where a day is lost, the shortfall is to be recovered within the same phase.

Division of Responsibility: Company - Advertisement support 3 months, Login / wallet / chatbot / automation, central marketing, initial training. No staff / rent contribution. Business Center - Office, staff at own cost, local lead generation,

daily entry in login, daily reconciliation, escalation on the same day.

Below Target: Written notice, re-training and revised plan, additional support, further review. Termination only after support, notice and repeated failure.

APPENDIX B - Sensitivity, Break-Even and Downside Case

At 50% performance, each income head is taken at one-half of the full proforma. It is not a separate promise.

Period	Full Proforma	At 50% Performance
Year 1 - Total	11,09,375	5,54,687.50
Less: Fee	1,05,100	1,05,100
Net After Fee	10,04,275	4,49,587.50

Break-Even: Rs.1,05,100 / Rs.95,486.11 per month (Months 4-12 steady) = 1.10 months of steady income. Break-even means recovery of the fee from gross income as per the proforma. It is not net profit.

Reading: Appendix A and Appendix B are part of this Annexure for reference and discussion. They do not alter the full proforma in Section 3 or the validity clause in Section 9. Where any figure in an Appendix differs from Section 3, Section 3 shall prevail.
